

**Law passage date**  
2012

**Expected implementation date**  
2013

**Package coverage**  
Health warnings are required to cover 30% of the front and 50% of the back of cigarette packages. Overall, 40% of the package space is appropriated

to health warnings. The front of the package should have a text-only label, and the back of the package should have a pictorial label with text.

**Rotation schedule and history**  
Twelve graphic warnings will be used on tobacco packages.

**Restrictions on misleading information**  
Unspecified.
